Mahatma Gandhi International Sanitation Convention (MGISC) 29 September to 2 October 2018 New Delhi

Mahatma Gandhi International Sanitation Convention (MGISC) is a 4 day international conference that will bring together Sanitation Ministers and other leaders in WASH from around the world. It is being organised by the Government of India's Swachh Bharat Mission (SBM) or Clean India Mission, the world's largest sanitation programme. India aims to eliminate open defecation by October 2nd, 2019, the 150th birth anniversary of Mahatma Gandhi, the Father of our Nation, who held sanitation very close to his heart. Rural sanitation coverage has significantly improved from 39% in October 2014, at the start of SBM, to 85% today. The success of the Clean India Mission will undoubtedly have a significant impact on the global achievement of SDG 6.2. The Convention aims to share sanitation success stories and lessons from the participating countries, and will culminate with the launch of the Mahatma's 150th birth year celebrations in India, as SBM enters its final year of implementation. The Convention will include a field visit, plenary sessions and technical sessions. Registrations will open in July 2018. Watch this space for more details, coming soon.
